A complete application is necessary from each adult (anyone 18 years or older) who intends to reside at the property.

HomeRiver Property Management requires \$45.00 as a processing fee to check income, landlord history or ownership and credit. The fee is non-refundable if the application is processed. Only processed applications are charged a fee. If you are in line no fee will be charged until you are processed. We accept payment for processing by credit card, money order, or cashiers check. No cash or personal checks for application processing.

The fastest way for us to receive your application is for you to complete your application online at: www.HomeRiverSacramento.com You can also email it to us at applications.Sac@HomeRiver.com or fax it to (916) 429-0389. Please note: Receipt of applications will occur within one business day. Applications can also be dropped off during our office hours 9-12 & 1-5 M-F or mailed to any of our 3 offices. Table with 3 columns: Processing Fee Charges to Applicant, Amount, and Total. Includes rows for Acceptance of Application/Pre-Screen, Credit Report including operator time, Verification of Information on Application & final review, and Minimum cost to HomeRiver to Process Application.

Negative credit, negative rental references or negative employment references may keep an application from being approved. Some properties require a criminal background check and felony convictions may cause an application from being approved. Certain properties (check our web listing or recording) will allow a co-signer for lack of credit or rental references but not for negative references. Most agreements begin with a six-month lease. If pets are allowed, an additional deposit and/or increased rent will be required. Our general guidelines to qualify are that you have a legal and verifiable income of three times the monthly rent, approximately two recent years of favorable rental references or ownership and two lines of good credit established with overall credit being 80% positive. Specific guidelines for each property are recorded on our rental hot-line and can be accessed by entering the property's three digit extension number from our sign, ad, website or our vacancy list available 24 hours a day at our office. If you have a situation you'd like to explain in advance of your application being processed, please write it on a separate piece of paper and submit it with your application.

The security deposit and one month's rent must be paid in the form of a cashier's check or money order prior to occupancy. Upon payment of a deposit, we will hold a vacancy by written agreement. Applications are processed as quickly as possible and you will then be contacted. It is difficult to determine in advance how long it will take as we often have to wait for return phone calls from landlords and employers. If your application is approved, you will have 24 hours to submit a deposit. If the property rents before your application is processed, the processing fee will be refunded, or you may transfer your application to another of our available properties. If you have not yet located a suitable property you may request that your application be "Pre Approved". Write "Pre Approval Request" on the reverse side of the application in the "Desired Rental Address" section. We will process your application and call you when complete. You can then select a property that you qualify for. Pre Approved applications do not receive a refund of any processing fees paid even if a suitable property cannot be located and you will still have to wait in line if others are ahead of you. Approved applications are valid for 60 days with no additional fee.
